Recommendations on the Spring Awards Ceremony

## **Spring Awards Ceremony**

The College Environment Committee unanimously recommended a two year continuation of the ceremony and also have made the following recommendations:

1. Have the ceremony on April 23rd, a Friday not during the week of Scholar's day. This will allow for students and faculty to "recharge" after Scholar's Day, allow better attendance by family, and classes should not be an impediment. This date is available in regards to room reservations.
2. Have the President of the Faculty Senate create an ad hoc committee that will review the success of the event for a two year pilot and report to the College Environment committee. This committee would also be in charge of obtaining student opinion on the event.
3. Keep the ceremony to honor academic achievements here at the college. The ceremony will concentrate on achievement here at the College, rather than previous academic work (e.g. high school, community college). All awards are to also be student based, no awards to be given at this ceremony to faculty or advisors.
4. Have faculty/staff who are presenting on stage wear academic garb, relax the requirement for other faculty to encourage attendance.
5. Keep awards of individuals to a minimum, reduce the amount of students walking across the stage.
6. Have 3-4 student speakers, preferably the award recipients of the three school awards and the winner of the President's Citation.

This material has been reviewed in principal with Mary Kay Bishop and the proposed changes should have no affect on Institutional Advancement's planning for events with donors and scholarship winners.
